1. Four flatcars carrying two armored personnel carriers, one T34 tank and one 82 mm gun of about 100 mm caliber on T34 chassis were hauled by a railroad engine to the area of the former torpedo test station on Tollense Lake near NEUBRANDENBURG (N 54/U 66)* on 10 September 1949. A Soviet tank repair shop was located at the former torpedo test station.

25X1

2. _____ were seen at the former torpedo test station on Tollense Lake near NEUBRANDENBURG on 22 September 1949. A repair shop company working there was quartered in the former Augusta Bad (bathing establishment).

3. The attached sketch of the former torpedo test station near NEUBRANDENBURG was drawn on 26 September 1949.

25X1

* Comment: Incoming shipments of armored vehicles in need of repair were frequently seen.

Comment:

25X1

The report confirms the NEUBRANDENBURG tank repair shop, which is presumably assigned to the Second Gds Mecz Army.

1 Annex: Soviet Tank Repair Shop on Tollense Lake near NEUBRANDENBURG.
